

NR Expeditionary Maintenance DET F

NOSC Tucson

Pre-arrival Package

Sentry and M9 Training Events

December 2011 – February 2012

INTRODUCTION

This pre-arrival package contains the information you need to make the process of traveling to Tucson for the Sentry Qualification Events as smooth as possible. Please read through this information carefully and follow the guidance and advice provided.

EVENT HOST

NOSC Tucson is home to NR Expeditionary Maintenance DET F which incorporates Reserve Intermediate Maintenance Activity (RIMA) Tucson. We expect up to 80 Sailors to attend each of these events, so please be on time, at the proper location, and with the prerequisites complete. Once on station, you should contact your Group Leader with any issues. Prior to your arrival or during travel, contact the EM DET F Event Lead. For issues with orders/BCNs, contact the EM DET F CO.

PREPARING FOR DUTY AT NOSC TUCSON

Listed below are the key steps to setting up your orders and completing the prerequisites prior to your arrival:

- ☐ Request a BCN for a training date on the Sentry Qualification website, <http://sentry.xbx1.com>
- ☐ Submit orders using the BCN you received when your billet was assigned. Ensure that you are submitting the right type of orders (AT, IDTT, ADT). Use the NROWS Orders Guidance.
- ☐ Complete NKO training, CENSECFOR Operator Training-M9 Service Pistol (CSF-M9-010-2.0)
- ☐ Complete [DD Form 2760](#), Qualification to Possess Firearms or Ammunition
- ☐ Complete as many items as possible from the [Sentry Qualification Card](#) and [M9 Qualification Card](#). Bring your qualification cards with you.
- ☐ Have your uniform ready. All training will be conducted in the Navy Working Uniform. If you have your own PPE (safety glasses, hearing protection), bring that for use on the range.
- ☐ [Update your Page 2](#) if you have not done so in the last six months.

- ❑ Do not drink for 24 hours prior to arrival at NOSC Tucson. This is a requirement prior to firearms training.

SAFETY

Safety during this training is the top priority. You will be instructed on the safe operation of firearms by qualified Range Safety Officers (RSOs) and Line Coaches. Safety on the range is everyone's responsibility. If you see something unsafe, take immediate action to address it.

SCHEDULE OF EVENTS

The intent of this training event is to get each individual close to card completion with the exception of U/I watches which must be performed on FCB during AT. There are four blocks of training planned covering the most important items in the card. Some items are not addressed and are left to the individual to complete with their home unit. A detailed training schedule will be distributed at check-in.

Block	Topics	Lead Instructors	Location
1	Sentry Classroom Training	GM1(SS) Dotson STS1(SS) Scott STG2(SW) McGee	NOSC Tucson
2	Vehicle & Personnel Searches		
3	M9 Qualification & Use of Force	MA1 Mathews MA1 Reis MA1 Aitchison MA2 Mata	Davis-Monthan AFB Range
4	Crowd control, tactical movement, and restraints		

TRAVEL ARRANGEMENTS

You are required to be present for the entire drill weekend, from 0700 on Saturday to 1600 on Sunday. Early departure Sunday is not authorized, so make your flight itinerary accordingly. Research your likely flight times before you submit your orders using a site like <http://www.fedtravel.com>. If you have a long flight, submit your orders through Monday and fly back in the morning. You should fly in to Tucson airport. Ensure that you have your GTCC. Make your travel arrangements via DTS, if possible.

Lodging

Submit your orders with “Quarters Not Available”. You should pick a hotel that is generally on the Eastern side of Tucson to minimize your travel time. Some recommended hotels and a general map of the Tucson area are in the appendix.

Rental Cars

Rental cars are authorized for this training. Keep in mind the following when you pick up your car:

- ☐ Rent a compact car unless you are traveling with 3-4 members from your unit and you are sharing. Do not accept car upgrades. Any cost above the compact price you will have to pay out-of-pocket.
- ☐ Ensure you are getting the government rate. You should have a GARS surcharge that covers collision insurance. Decline all other insurance as you will not be reimbursed for it.
- ☐ Any options you add to your rental car agreement are out-of-pocket (GPS, etc.)
- ☐ Do not select the pre-paid fuel option, you will not be reimbursed.
- ☐ Use your GTCC to pay for the rental.

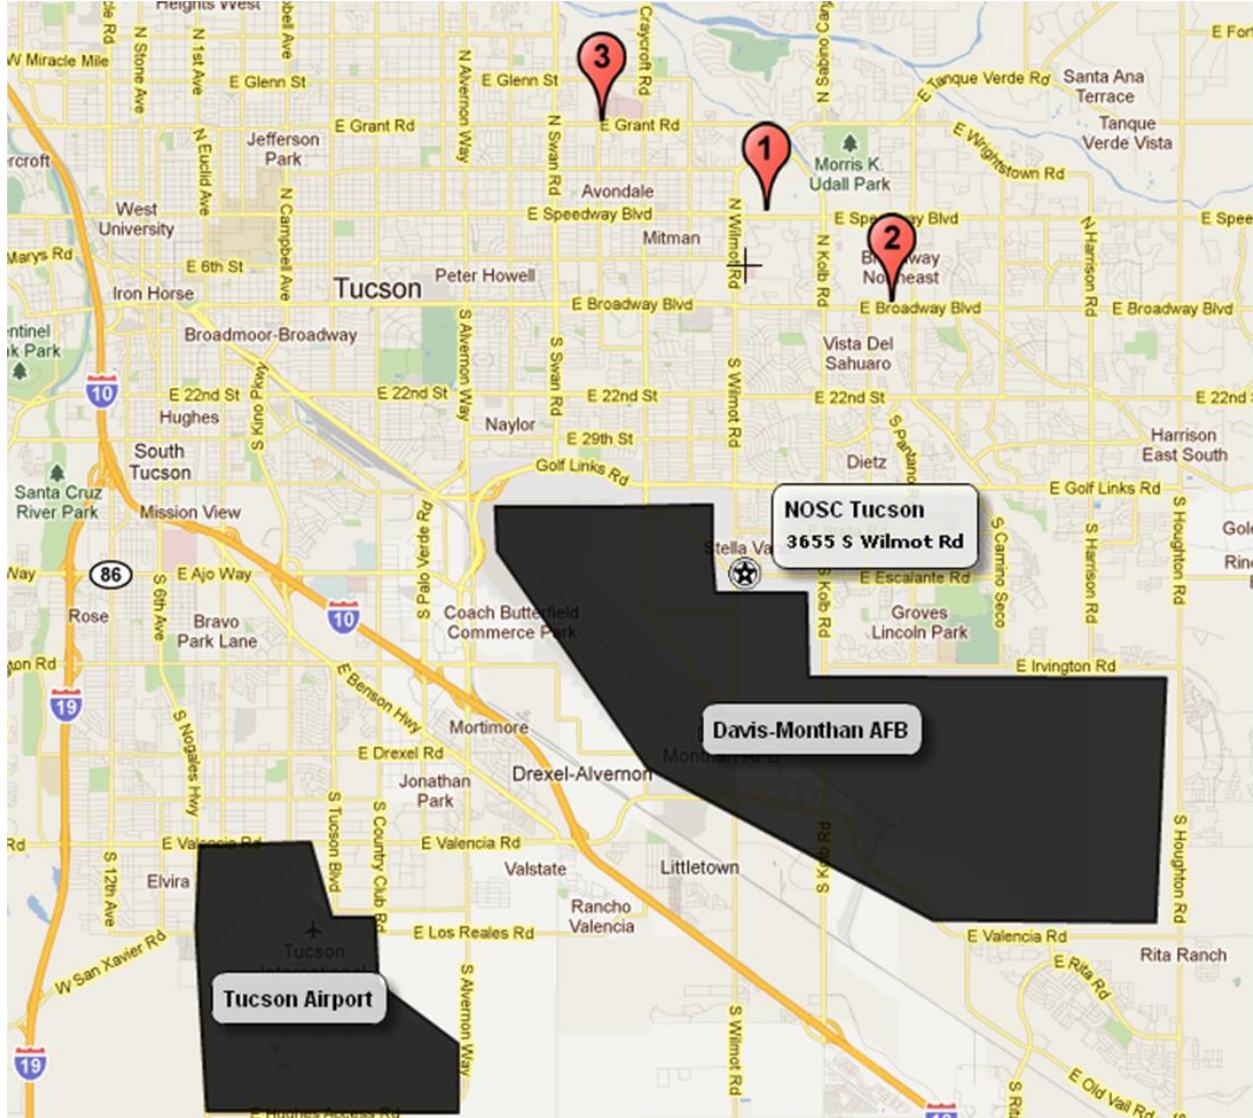

REPORTING FOR DUTY

Report NLT 0630 to NOSC Tucson located at 3655 South Wilmot Rd, Tucson, AZ 85708. To get to the NOSC, travel south on Wilmot Rd until you see the gate for Davis-Monthan AFB (which will be closed on the weekend). On the left just prior to the AFB gate is the entrance to NOSC Tucson. Push the button at the gate and show your CAC to the camera. Park behind the NOSC and enter via the Quarterdeck entrance next to the flag pole.

PAY

How you get paid depends on what type of orders you are on. For ADT and AT, you will get paid when you submit your endorsed orders and travel claim to your NOSC. For IDTT, you should reschedule your drills and bring the paperwork with you. Submit the endorsed orders and reschedule form to your NOSC and they will pay you for four IDT periods.
